

# Flood Myths: Don't Believe Them!

**Floods only happen to other people.**

**It has never flooded here, so it never will.**

**There was a flood problem, but it has been fixed.**

**If flooding were a problem, someone would have told us. That's why we pay taxes.**

**It's only water. It's no big deal to be flooded.**

**The government will bail me out.**

**My homeowner's policy will cover any flood.**
